

Spandau Pump Range

Pump Range

Spandau's product range is based on over 60 years experience in manufacturing pumps. Their products are of high quality, cost effective and extremely reliable.

PV

DIN EN 12157

Ideally suited for:

Cooling emulsions

Oils

Hot and cold water

Process Fluids

PR4

DIN 5440

Ideally suited for:

Water Emulsions

Salt Water

Deionised Water

Alkalis & Acids

PMS

DIN EN 12157

Ideally suited for:

Large Production Machinery

Centralised Systems

HCT

DIN EN 12157 - PLASTIC

Ideally suited for:

Process Fluid

Cooling emulsions

Oils

Deionised Water

PRA/PRT

DIN EN 12157 - PLASTIC

Ideally suited for:

Process Fluid

Cooling emulsions

Oils

Deionised Water
