

Winmax Pump Range

Pump Range

Winmax is a smaller pump series suitable for general purpose applications. Included in this series are a complete peripheral turbine series, economical cast iron centrifugal motor pumps and specialist multi-stage pumps.

SIDE SUCTION SERIES

PERIPHERAL

TURBINE PUMPS

Ideally suited for:

Fire Service Jacking

Small Industrial Boilers

Domestic Water Boosting

END SUCTION

PERIPHERAL TURBINE

Ideally suited for:

Fire Service Jacking

Commercial & Industrial Washers

Domestic Water Boosting

SOLID BRASS PERIPHERAL

TURBINE PUMPS,

SINGLE & THREE PHASE

Ideally suited for:

Domestic Pressure Systems

Commercial & Industrial Washers

Domestic & Commercial Pressure Boosting

ELECTRIC CENTRIFUGAL PUMP

Ideally suited for:

Cooling Towers

Commercial Washers

LiquidTransfers

KYP HOT OIL PUMPS

Ideally suited for:

Chemical & Petrochemical Industries

Paper & Sugar Mills

Leather & Rubber Industries

MH & MLV CENTRIFUGAL PUMPS

Ideally suited for:

Water Boosting

Irrigation

Boiler Feed
